Secured Space Allocation:

Guaranteed weekly capacity so your shipments always move as planned, even during peak demand.

Competitive pricing

Consistently optimized rates that help protect your margins in a volatile shipping market.

Real-time visibility of shipments

Comprehensive shipment tracking with proactive updates ensures that you are always informed.

Comprehensive Coverage

Direct access from Asia's major origins into Northern Europe's strongest trade hubs.

Turning Uncertainty into Reliability.

AsiaBridge delivers **guaranteed weekly capacity**, **stable rates**, and **dependable sailing schedules** from the Far East to Germany, Belgium, the Netherlands, and the UK, giving your supply chain the confidence to move without compromise.

Whether it is door-to-door or port-to-port, PSA BDP can customize a solution for you.
